

Easton Royal Parish Council  
Footpath Report September 2018

In general, the footpaths are in good order thanks to the footpath wardens who have worked hard over the summer months to keep the side growth cut back. I am grateful to Roger Tilbrook, Paul Narizzano, Mark Cramsie, Ben Higham, Lloyd Cockbain and Colin Sibun.

My thanks go to David Butler and Mark and James dePass for mowing their field margin paths, and to Hew Helps for mowing the paths around Home Farm and Cross Lane. As a result, the path surfaces are much improved and a pleasure to walk.

The ongoing issue of the kissing gate, damaged during farm hedge trimming operations last year, remains and I now refer it to the Parish Council for discussion.

Beverley Helps  
Footpath Co-ordinator
