

Easton Royal Playground

21 January 2021

LEAFLET DISTRIBUTION

Last week you all received a copy of the **EASTON ROYAL PLAYGROUND FUNDRAISING GROUP** leaflet. As we are a little concerned that some may have been consumed or destroyed by your four-legged friends on the other side of the letter boxes, we are sending you a digital copy of the said leaflet for your kind attention!

“Breaking News” was shared with you in December in which we outlined the cost of individual items for which we have received quotes, as well as confirming that a minimum of £25k will be required for this project. It goes without saying - the more money we can raise, the more equipment we can acquire!

Thanks to our generous local sponsors, we have **£900** in the bank.

Thanks to the Parish Council, we have **£4,000** ring-fenced for this project (of which £1,680 from the Community Infrastructure Levy).

Thanks to the great efforts of the Easton Royal villagers, despite pandemic restraints, we have fundraised **£800** (Pumpkin Trail, Christmas Lights Trail and Whereisphoto competition).

And..... we are already starting to receive donations from households. **Thank you.**

A show of local support through donations will really help when looking for funding and grants. The intention is to start these applications from mid-February so, please, if you can show your initial support with a donation over the next three weeks, it will help us enormously.

All contributions will be treated confidentially. **No amount is too small.**

Hopefully, more fun ways of raising money will be possible in the not-too distant future. Watch this space...

Many thanks for your support
ERPFG team

Putting play at the
♥
of the village

THE PLAN

We are a Community Group, working with the Easton Royal Parish Council, whose aim is to raise funds for the redevelopment of our play area. This would be for the enjoyment and education of the children of Easton Royal and the pupils of our local primary school.

The present play area, which was built by volunteers from the community thirty years ago, serves as a perfect example for the style and philosophy of this new project. We would like it to blend well into the environment, involve the community in its conception and realisation, and provide hours of fun for everyone.

Made of natural materials, this replacement area would:

- bring the joy of discovery
- stretch the imagination
- enhance physical development and wellbeing
- encourage social interaction
- be varied, challenging and inclusive
- meet current standards in play equipment
- be a safe place within walking distance of homes

In addition to the equipment for children under 12 years of age, we hope to be able to provide some facilities for the older children and adults of our community.

WE NEED YOU!

Your help, enthusiasm and support will be indispensable to the success of this venture!

The project will require a substantial investment and this is an appeal for your help. We need your :

Time, Skills & ... Money!

We will organise fun fundraising events, as well as working on obtaining financial aid through official funding and grants, but please donate if you can - no amount is too small!

Regular updates

We will keep you informed of our progress via the village WhatsApp group, mailing list and notice boards. This information will also be visible on the ER website.

Donations

Please help us get off to a good start!

An all-important message to organisations offering grants and funding is to show the community support for the project. This includes donations and sponsors.

ANY amount, whether big or small, will be gratefully received!

Cheque : Please make your cheque payable to the EASTON ROYAL PARISH COUNCIL, mark the back of your cheque «PLAYGROUND» and drop it off at Easton Barns for Peta.

Bank Transfer (BACS) :

EASTON ROYAL PARISH COUNCIL
Sort Code 30-92-63
Account N° 01625196

Please put as a reference to your payment «PLAYGROUND»

[A quick email to let us know of a BACS payment would be much appreciated!]

You wish to sponsor a specific piece of equipment?

Please contact us to discuss.

Thank you !
